## EDITOR'S BOTTOMLINE

*Across the world, routine immunisation has proven to be a powerful shield in protecting newborns, children and pregnant women from many deadly diseases. Unfortunately, disruptions due to the COVID-19 pandemic have led to an inevitable decline in other routine vaccination campaigns. Global statistics reflect that approximately 23 million children under the age of one did not receive basic vaccines in 2020, which is the highest number since 2009. Today, we strive to move beyond the grim memories of one virulent virus, SARS-CoV-2. However, it is imperative to remember that there are many other dangerous pathogens lingering at bay. To build a healthy India, we need to address the worrying immunisation gap, now.*

*While we are still working to restrict the spread of the Coronavirus variants, families need to realise the tragic devastation that we may face if vaccine-preventable illnesses too begin to spread and affect our children. As responsible citizens of India, it is our golden hour to display a sense of proactiveness in this regard. Our ambitious dream of being free from these preventable diseases rests heavily upon the collaborative spirit of our Government, support organisations, frontline workers, and most importantly, on the willing participation of rural and urban Indian households. Nelson Mandela once said, "There can be no keener revelation of a society's soul than the way in which it treats its children." It is important to participate in routine immunisations to protect the brilliant minds of our future.* — *Deepak Kapur in Deccan Herald*

### She disguises as a man for 36 years to raise child

Katunayakkanpatti: After losing her husband to a heart attack, an Indian woman spent 39 years pretending to be a man so she could raise her daughter alone in a patriarchal society.

S. Petchiammal had only been married for 15 days when her husband succumbed to a massive heart attack. She was 20 years old at the time and pregnant with her daughter. Soon after giving birth, she started working various jobs to make ends meet. The young woman worked at construction sites, hotels, and tea shops, but she faced harassment and sexual taunts every day, so one day she decided that she needed to make a big change.

One day, S Petchiammal went to the Tiruchendur Murugan Temple in Tiruchendur, cut her hair short, replaced her sari with a shirt and lungi, and changed her name to 'Muthu'. But in order for her new identity to actually make a difference, she and her daughter had to start over somewhere new. Petchiammal managed to hide her true identity for over three decades. Now, her daughter Shanmugasundari is grown up and married, so she no longer needs to hide. She revealed her true identity recently and received the praise of millions of people around India.

### A mountain road with 600 hairpin turns

Xinjiang Uygur: A 75-kilometer stretch of mountain road in northwest China's Xinjiang Uygur Autonomous Region has been dubbed a car sick person's worst nightmare for its hundreds of hairpin turns.

Known as Pamir Plateau Sky Road or the Panlong Ancient Road was officially opened in July of 2019 to facilitate passage through the Kunlun Mountains for the region's farmers, but soon became a tourist attraction for driving enthusiasts wanting to test their skills. With 600 hairpin turns, this road isn't for the faint of heart or for the car sick. Seen from above, it looks like a giant grey dragon and is one of the most visually impressive roads in the world.

### Shatabdi Express: Open the doors of last three compartments

Sir,

Of late it is observed that the concerned staff are not opening the doors of last three compartments of Shatabdi Express which leaves to Chennai from Mysuru. The passengers have to help themselves to open the doors of these compartments. Probably the concerned staff becomes lethargic after opening the doors of other compartments and hence leaving the last three compartments for the self-service of the passengers.

I request Railway authorities to instruct their staff to open the doors of all compartments for the convenience of passengers.

# Woman Constable missing from Maharashtra suspected to be in Mysuru

- Rumours of Constable being kidnapped doing rounds
- Maharashtra Police trace her mobile location to Mysuru, conduct search & return; Lashkar Cops continue operation

*Teja Rajendra Tupe*

Mysuru, May 19 (GA,RK&KS)- The mobile phone tower location of a Woman Police Constable, who has gone missing from Maharashtra under mysterious circumstances, has been traced in Mysuru and a team of Maharashtra Police, suspecting that the Constable has been kidnapped, arrived in Mysuru and have conducted a search operation with the help of local Police.

**Details:** The Woman Police Constable, identified as

*Muzamil Khan*

38-year-old Teja Rajendra Tupe, serving at Satara Police Station, Maharashtra, went missing while on duty at about 2.30 pm on May 10 and her mother Jayashree had lodged a missing complaint at Satara Police Station.

Satara Police, who took the matter seriously as the Constable had gone missing while on duty, began their investigation and found out that Constable Teja had transferred Rs. 2.20 lakh through PhonePe to the Bank account of a man. When the Police went through the Bank account details of the man, they identified him as Muzamil Shanawaz Khan, a native of Hassan district, who was working at a home appliances store in Maharashtra. The Police also came to know that Muzamil had earlier conned two women by taking them with him and had also got their money transferred to his Bank account.

Suspecting that Constable Teja had been kidnapped by Muzamil, Satara Police began to trace her mobile phone location during which they traced the location in Uttar Pradesh, Bengaluru and other places.

On May 16 at about 12.12 pm, Satara Police traced Teja's mobile phone location to Mannar's Complex building at Halladakeri in Mysuru.

A team from Maharashtra's Police, which arrived in Mysuru, met jurisdictional Lashkar Police and with their help conducted a search operation at Mannar's Complex building but could not find Teja and Muzamil.

The range of mobile tower is said to be 2-km and hence, the Police team conducted a search operation in the locations close to the tower for two days. It is learnt that after the Police traced Teja's phone location on May 16, it could not be traced since then.

Yesterday afternoon, the Maharashtra Police team, which arrived at Pathrakartara Bhavan on Tyagaraja Road in city, provided photos of Constable Teja and the alleged kidnapper Muzamil to press persons and urged those having any information about Teja and Muzamil to contact Mob: 93210-33018 or 98222-19011.

Meanwhile, Lashkar Inspector Santosh Kumar, speaking to *SOM* this morning, said that the Maharashtra Police conducted a search for the Woman Police Constable and the man with the help of local Police and went back to Maharashtra.

The Inspector further said that Mysuru Police are continuing with the search operation and added that the mobile phone location of Constable Teja is not stationary and was always moving from one location to another besides stating that they would intimate Maharashtra Police if they get any vital information about Constable Teja and Muzamil.

# Two men accused of grabbing site using fake documents

Mysuru, May 19- In yet another case of fake site document creation, the Narasimharaja (NR) Police have registered a case against two persons on charges of usurping a site valued at lakhs of rupees in the city with the help of unknown persons.

The accused are Aslam Pasha and Mohammad Imran Khan.

**Details:** K.A. Lingegowda, a resident of Bandigowda Layout in Mandya, was allotted a 30'x40' site (No. 243) in Mysuru's Bannimantap 'C' Layout, by the then CITB (City Improvement Trust Board) on Aug. 23, 1974.

After Lingegowda's death, the site's Khata was transferred to the name of his wife H.S. Sunanda on May 24, 2003, following which the Title Deed was issued to Sunanda on Aug. 10, 2004. The Khata was transferred to Sunanda's name in the Mysuru City Corporation (MCC) records too.

Meanwhile, one Aslam Pasha, claiming himself to be the GPA (General Power of Attorney) of one Mohammad Imran Khan, created fake documents and got the site transferred to his name on Aug. 29, 2018 and also succeeded in getting the Title Deed.

But after coming to know that some fraudsters had created fake documents and got the site in the name of Aslam Pasha, the site's legal owner Sunanda's daughter K.L. Savitha lodged a complaint with the NR Police on May 16.

Following the complaint, the Police are investigating the case.

# Case registered against Hinkal resident for selling MUDA reclaimed land

Mysuru, May 19- The Vijayanagar Police have registered a case against a resident of Hinkal on charges of selling MUDA reclaimed property to a person.

Kempanayaka, a resident of Hinkal in the city, is the accused.

Kempanayaka is accused of illegally selling a MUDA reclaimed site to one K.N. Harish, a resident of Vijayanagar First Stage. Following directions from a City Court, the Vijayanagar Police have registered a case in this regard.

Vishwanathegowda and Kamaraju, sons of Girigowda of Hinkal, had sold one acre of land coming under Hinkal Survey No. 331/5a to Kempanayaka on Oct. 25, 1999, through an unregistered Sale Deed. But earlier, MUDA on Apr. 1, 1981, had issued the primary notification for acquisition of this land, following which the final notification was issued on Mar. 30, 1984 and subsequently, the land belonged to MUDA.

But the accused Kempanayaka, despite knowing the fact that the land was acquired by MUDA, had sold of a site measuring 60'x40' on this land to Harish on Aug. 8, 2006. Later, Kempanayaka, using his political clout, had got the Khata transfer too done in Hinkal Gram Panchayat.

Following a direction from the 4th Additional Senior Civil Judge Court, the Vijayanagar Police have registered a case against Kempanayaka under IPC Sections 406 (Punishment for criminal breach of trust), 420 (Cheating and dishonestly inducing delivery of property) and 468 (Forgery for purpose of cheating) and are investigating.

Mysuru, May 19 (RK&BCT)- The Passing Out Parade of fifth batch of Karnataka State Reserve Police (KSRP), Mysuru and 12th batch of Tumkur Special Reserve Police Constables held this morning at KSRP 5th Battalion Parade Grounds witnessed many emotional scenes.

Firstly, the ceremony was held amidst rains with continuous drizzle. Over 268 KSRP Constables passed out from the Additional Training School. Secondly, it was the last official event for KSRP Additional Director General of Police (ADGP) Alok Kumar, who has now been posted as ADGP (Law and Order).

Alok Kumar turned emotional many times on stage while guard of honour was accorded to him and tears rolled down his cheeks while he was delivering his passing out parade address. He said that the KSRP was memorable for him and the Police wing was close to his heart.

In all, 268 candidates (117 from Mysuru and 151 from Tumkur) passed out after being trained in all basic policing from July 2021. ADGP Alok Kumar inspected the parade and also witnessed the professional quick march and slow march performance.

In his speech, Alok Kumar asked the Constables not to deviate from the path of honesty and uprightness. "KSRP is not less than any other force and the personnel play an important role in maintaining law and order and also during emergency situations like COVID or natural disasters. Never try any shortcuts as you will land in trouble and we have seen many examples like the recent PSI recruitment scam," he said.

### No shortcuts to success

"There will be hurdles and challenges in your personal life and professional life and you have been trained to face them. There are many graduates and post graduates here and I am glad that the educated are entering the force. Work hard and success will follow and there is no shortcut to success," he added.

Alok Kumar also exhorted candidates not to fall into vices like tobacco consumption and alcoholism. "Lives have been destroyed and we have seen many such cases. Follow the line of duty and you will end up with a successful career. If you are dissatisfied with the KSRP career, write departmental examinations and go to higher posts. Opportunities are ample," he added.

Among the KSRP Constables passed out today from the fifth batch Mysuru, eight have completed their post-graduation, 66 undergraduates, 42 PUC and one SSLC. There are four engineering graduates. In the 12th batch of Tumkur Special Reserve Police, there are six candidates who have completed post-graduation, 90 undergraduates 48 PUC and 7 SSLC. There are eight engineering graduates here.

## DECODING MYTHOLOGY

**Dr. Devdutt Pattanaik** - Author, Speaker, Illustrator, Mythologist

# Female Voice in Rig Veda

The Rig Vedic hymns were composed over 3,000 years ago, most probably by children of men who migrated into India with horses from Central Asia, and married local women. The hymns mostly reveal the valours of the fathers, but occasionally the longings of the mother. The marriage hymn tells us about a girl called Surya, who is fetched by the Ashwins and taken to her husband. We learn how the woman already has had three husbands: Soma, Agni and Gandharva, before receiving her fourth husband. Does it mean women had four husbands, a pre-Vedic practice frowned upon by Aryan men?

This hymn gains significance when we read the epic Mahabharata composed at least 1,000 years after Rig Veda. Here Kunti argues why a woman can have only four husbands and not five. Besides her husband, she therefore summons three Gods (Yama, Vayu, Indra) only to beget sons. She hides the fact that before marriage, she had summoned a God (Surya) secretly. This is the underlying reason why Draupadi is insulted in the gambling hall, as a prostitute, because she has more than the acceptable limit of four husbands. This is a far cry from the popular contemporary concept of women who are supposed to be faithful to a single husband.

Rig Veda also tells the story of Apala, who offers the Soma juice to Indra and gets her beauty restored. There is the story of Saswati. She sings Vedic hymns that transform her impotent husband, Asanga, into a virile, potent man. We hear Lopamudra trying to tell her old, ascetic husband, Agatsya, to pay her more attention, which is his duty as a husband. We have stories of Saranya who runs away from her husband, the sun-God, because she can't bear his radiance. We hear the story of Urvashi who leaves Pururava, as she is bored of her relationship with him. We hear of Indrani who argues about the sexual prowess of her husband.

There is another story of Yama and Yami. Yami is the sister of Yama, the first male. He refuses to marry Yami, because she's his sister. As a result, with no progeny, he gets trapped in the land of the dead. Yami turns into Yamini, the night. All these stories refer to the desire of women, their longing for a virile man, their joy when they find one.

Rig Veda tells us how Aditi, the fetterless one, is married to Daksha, the ambidextrous one, to give birth to the Gods. What does this mean? Does it refer to how a free pre-Vedic woman became bound to the talented Aryan male who controlled horses and built chariots? Goddesses do not dominate Rig Veda but they are there. There is the Goddess of dawn, Usha; the Goddess of the forest, Aranya; the Goddess of devotion, Shradda; the Goddess of speech, Vak; Goddess of the ritual spoon, Juhu; and the Goddess of the service-fee, Dakshina.

In later Brahmana literature, we learn of the long-tongued woman who is sexually entrapped and killed by Indra's friend, Kutsa. In Upanishads, we encounter Jabala who has many lovers and so is not able to name the father of her son, Satyakama.

What we get from these verses is that women were associated with love, longing and yearning. They craved sensory and sexual fulfilment, and often found their husbands inadequate. These were demanding women whose passions are obscured by commentators who spotlight the valour of male Gods such as Indra, or focus on de-sexualised spiritual ideas of the Vedanta.

# Siddharamaiah has to take blame for fiscal crisis: BJP

## As CM, he borrowed Rs. 39,161.44 crore in 22 months, says State Spokesperson Capt. Ganesh Karnik

Mysuru, May 19 (RKB&BCT)- While Leader of the Opposition in the Assembly Siddharamaiah claims that Karnataka is caught in a vicious circle of debt by increased borrowings every year to meet revenue and capital expenditures, little do people of Karnataka know that it is Siddharamaiah who is the main reason for financial crisis in the State, charged BJP State spokesperson Capt. Ganesh Karnik.

"When he was the Chief Minister, he broke all records in borrowing money. According to information available under RTI Act from Finance Department, the total debt on the State in 2015 was Rs. 1,05,584.23 crore, courtesy Siddharamaiah," he said, addressing a press conference at BJP Office in city yesterday.

"The S.M. Krishna Government between 1999 - 2004 had availed Rs. 35,902.30 crore loan and Congress - JD(S) coalition Government between 2004-2007 led by Dharam Singh and H.D. Kumaraswamy had taken a total Rs. 19,181.69 crore. Later, the BJP Government led by B.S. Yediyurappa, D.V. Sadananda Gowda and Jagadish Shettar had availed the total loan of Rs. 48,476 crore in the five-year term. Siddharamaiah has taken maximum loan in the shortest term and made repayment of Rs. 17,241.07 crore just on interest," he alleged. Siddharamaiah borrowed Rs. 39,161.44 crore in 22 months.

This is a poor show by a man who has tabled nine annual Budgets in his career so far and is known for fiscal discipline, Ganesh Karnik said.

"Siddharamaiah has no right to comment on how Chief Minister Basavaraj Bommai is balancing the financial issues as the main reason for Karnataka's dismal finances is Siddharamaiah. He has to be blamed for the present situation that rose due to Siddharamaiah's financial discipline," he said.

Targeting Congress and JD(S) in equal terms, Ganesh Karnik said that former CM H.D. Kumaraswamy was an opportunistic leader and immature too. "Kumaraswamy's statements do not carry weight and he is known to give frivolous statements even when he was in the seat of power. Elections are due to be held in 11 months and Karnataka people will choose BJP as they are fed up with Congress and also the opportunistic politics played by the JD(S)," he added.

BJP Rural District Spokesperson Srinivas Gowda, Co-Spokesperson Vasanth Kumar, City Spokesperson Pradeep, Divisional Spokesperson Nagesh and District Media Spokesperson N. Rajkumar were present.

# My charisma helped Marithibbegowda win MLC polls: H.D. Kumaraswamy

Mysuru, May 19 (SBD&TRR)- Former Chief Minister H.D. Kumaraswamy (HDK) has said that MLC Marithibbegowda won because of his (HDK) charisma during the last MLC election.

He was speaking to press persons at the office of K.R. Nagar MLA S.R. Mahesh in city on Tuesday.

Reacting to the allegations made by Marithibbegowda, HDK said, "Does he agree that JD(S) made him the candidate by giving him party ticket? Can he remember how much money he received from Kumaraswamy for election expenses? Did I pay to defeat him in the elections? Let him discuss all these issues in public. Let him remember that Kumaraswamy's charisma helped him to win elections. I need not say anything more."

The decision to give party ticket to H.K. Ramu was not his personal one but of the Party's Core Committee, which decided after consulting party leaders of Mysuru, Mandya, Hassan and Chamarajanagar districts. It is no secret that money is needed to win elections now. But the party has not given ticket to Ramu only because he has money. The party is confident that he can win the election, HDK opined.

Kumaraswamy pointed out that the party in the past had given ticket to Dr. Annadani, a dalit youth, who had no house of his own. "It was I who bore the election expenses of Annadani. There are many instances like this in the history of the party. Everybody in the party must accept party's decision," he said adding that the JD(S) has won elections in the past even when Marithibbegowda was not there.

Maintaining that his party has helped graduates when in power, he said that in his both tenures as the head of a coalition Government he had initiated steps to create employments for graduates.

MLAs S.R. Mahesh, K. Mahadev, Ashwinikumar, MLCs C.N. Manjegowda and K.T. Srikantegowda, JD(S) District President Narasimhaswamy and party leaders were present at the press meet.

# Many youngsters eager to join AAP: Bhaskar Rao

## Only Aam Aadmi Party can provide a 'Zero percent commission Government'

Mysuru, May 19 (MTY&BCT)- Former IPS Officer and Aam Aadmi Party (AAP) leader Bhaskar Rao claimed that the youths of Karnataka were disillusioned by lack of governance and were looking for a stable alternative in AAP.

Addressing a press meet at Pathrakarthara Bhavan here yesterday, he said a large number of youths are joining AAP and they have seen the governance of BJP, Congress and JD(S). Even the coalition Government has failed to fulfil the aspirations of the people. "AAP is the only party that is giving importance to youngsters and they have a bright future here," he claimed.

He exhorted the people of Karnataka to reject corruption and corrupt politicians and instead, opt for the Delhi model of governance of AAP. "The youths of Karnataka and the people in general are observing the good work done in Delhi and Punjab by AAP. They are tired of corruption in Karnataka," he claimed.

The former cop said Karnataka does not have any shortage of land, water or other resources. What it lacked was a corruption-free Government. He said he has seen corruption from close quarters.

"There are a lot of differences between the Aam Aadmi Party and other political parties. Other parties and their leaders have become rich only in money. They are very poor in their morals. AAP has kept its moral grounds to speak about honesty and clean politics," Bhaskar Rao added.

AAP is the need of the hour to bring in revolutionary changes in Karnataka's administration and only AAP can understand people's expectations and fulfil them, he said. The contractors wrote to the Prime Minister that Ministers were demanding 40 percent commission on public works. "One can see huge bungalows and high-end cars parked outside the houses of politicians. Where have they got this wealth from? It is the tax-payers' money," he added.

Compare the administrations of Karnataka with the Governments in Delhi and Punjab. AAP provides a zero percent commission administration, he claimed. AAP Government was providing various amenities and facilities to people of Delhi through tax-payers' money and not by obtaining loans.

"AAP Government in Delhi could save a huge amount of money only because of their zero intolerance to corruption. The Government spent that money thus saved for the welfare of the people. Delhi Government has been successful in providing electricity, quality education, drinking water, transportation and other facilities for free," he said.

AAP State Spokesperson Sharath Khadri, District President Malavika Gubbivani and Women's Wing Vice-President Dharmashree were present.

# National parties are knocking the doors of JD(S): HDK

Mysuru, May 19 (SBD&TRR)- "Unsure of their ability to come to power on their own, both the national parties are knocking the doors of JD(S)," said JD(S) leader and former Chief Minister H.D. Kumaraswamy (HDK) at a press conference held at the office of K.R. Nagar MLA S.R. Mahesh in city.

Reacting to the reports that BJP and Congress are trying to woo JD(S) leaders in Old Mysuru region, Kumaraswamy said that even then both the parties are not confident of capturing power on their own. "I am not worried about who is going where, I am only interested in strengthening JD(S)," he added.

Agreeing that the defection from his party may result in setback to the party, he hoped that there will be no confusions in the party thereafter. "We have already proved the strength of our party through *'Janata Jaladhare.'* It was a historic event and to attract such a big crowd is not possible even to national parties. The event demonstrated the relevance of JD(S) and this is only a beginning. We are now confident of winning 123 seats in the 2023 Assembly elections and there is already a JD(S) wave in the State," he claimed.

Disclosing that JD(S) has already decided to field a party candidate for the coming Rajya Sabha elections from the State, Kumaraswamy said that there is no question of giving support to any national party. "As per the present strength of the parties in the Assembly, BJP can win two seats and Congress one. They both cannot win another seat with the additional votes they have. Since the JD(S) has more votes than the combined additional votes of BJP and Congress, we have also fielded our candidate. Our decision is clear in the matter. The issue of electing Member to the State Legislative Council will be discussed at Party Legislature meeting," he added.

## WORD OF THE DAY

### Bloviate

**Pronunciation:** BLOH-vee-ayt.
**Meaning:** Bloviate means "to speak or write verbosely and windily."
**Origin:** Warren G. Harding is often linked to bloviate, but to him the word wasn't insulting; it simply meant "to spend time idly." Harding used the word often in that "hanging around" sense, but during his tenure as the 29th U.S. President (1921-23), he became associated with the "verbose" sense of bloviate, perhaps because his speeches tended to the long-winded side. Although he is sometimes credited with having coined the word, it's more likely that Harding picked it up from local slang while hanging around with his boyhood buddies in Ohio in the late 1800s. The term probably derives from a combination of the word blow plus the suffix -ate.
**Example:** "The excerpt itself relates to ... a perpetual clock that ticked off precise measures of time, to keep orators in the Roman Senate from bloviating past their allotted speaking period." — Caitlin Lovinger

## THE ODD WORD

**Baccivorous**

Eating berries.

## PHRASE OF THE DAY

### Baby blues

**Meaning:** Feelings of depression or anxiety, experienced by some mothers following childbirth.
**Origin:** Had anyone mentioned 'baby blues' prior to WWII they would have been thought to have been talking about colour - specifically the colour of someone's eyes. Most babies are born with blue eyes due to a lack of the melanin pigment until sometime after birth. The use of the term 'baby blues' to mean eyes is a natural development, which came about in the USA in the early 20th century; for example, this from the American author Rex Ellingwood Beach's novel *Winds of Chance*, 1918: "Fix your baby blues on the little ball and watch me close."
**Example:** In his best-selling baby care book *Expectant Motherhood*, 1940, Nicholson J. Eastman wrote: "Most common among such reactions, perhaps, is what is colloquially called the 'Baby Blues'."

## Enters Play-offs

Navi Mumbai, May 19- Quinton de Kock struck a sensational hundred and shared a record opening stand with skipper K.L. Rahul as Lucknow Super Giants (LSG) pipped Kolkata Knight Riders (KKR) by two runs in a last-ball IPL thriller to seal their play-off spot in Navi Mumbai yesterday.

De Kock gave a batting masterclass en route to an unbeaten 140 off 70 balls as he and Rahul (68 not out off 51) fired LSG to 210 for no loss, the highest opening stand in IPL history.

It was a steep chase but KKR stayed in the game through Nitish Rana (42) and captain Shreyas Iyer (50) but it was too big a task for the lower-order. Their innings ended 208 for eight in 20 overs.
